

Great relief from itching with every application of Toilettine. Do this way. Wash parts with tepid water and dry partially with soft linen cloth. While damp apply Toilettine, rubbing in thoroughly.

TOILETTINE
Soothes and Heals

Always prepare skin with tepid water because it opens pores and allows it to absorb Toilettine directly. The effect is prompt, cooling, refreshing, quieting; giving rest and peace. When itching sensations come on, repeat applications. Proper diet, exercise and the healing influence of Toilettine will give lasting relief.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The pest of grasshoppers has arrived at Cambridgeport and completely destroyed a five-acre lot of oats for Philip Moore of that place.

The new building at the state hospital for the insane at Waterbury has been completed and will be used for the excitable class of women inmates.

Harry H. Carr of St. Johnsbury has been appointed a trustee of the state agricultural school at Randolph Center. He received his commission from Governor Fletcher last Tuesday.

An excursion train, containing 111 persons from Brattleboro, returning from an outing at Watch Hill and Block Island, ran over a man at New London Tuesday evening and killed him.

A hay fork in the barn of George Bronson, in West Shaftsbury, fell from its fastening last Saturday and struck Mr. Bronson on the left side, near his collar bone, penetrating a lung. He will recover.

The directors of the Twin State league will meet in Bellows Falls Sunday to consider the protest against awarding the game of Saturday, July 11, to New York because of the breaking down of the automobile in which the Turnstiles were going to that town.

At a meeting of the Brattleboro school district Tuesday evening, it was voted to continue the work of a school nurse, instead of medical inspection by a medical man, as advocated by Dr. Henry D. Holton, a member of the state board of health and formerly of the school board.

Mrs. Abbie Barrett of Highgate Springs, although 83 years of age, is remarkably well preserved. Only a few days ago she made herself a dress, doing every stitch of the work by hand. She has received her "second sight" and does not have to use glasses. Mrs. Barrett takes long walks.

During a severe storm in St. Johnsbury last Friday, a horse driven by Henry J. Patrick was frightened by an umbrella and ran away, its leg being broken in the accident. The animal, which was quite a valuable one, had to be killed. The occupants of the wagon were uninjured.

A carload of cattle shipped from Wallingford and taken on by the Boston & Maine railroad at Bellows Falls was stopped at Athol, Mass., Tuesday and inspected by a humane officer, who found inexcusable conditions. Nearly 75 head of cattle were originally in the car, but at Athol little calves were found trampled to death on the floor of the car, and some of the larger cattle were down and in a suffering condition. One cow had an eye gouged out and the humane officer decided that very few of the animals would have reached Boston alive if an inspection had not taken place. At Athol some of the consignment were transferred to another car and those able to stand were sent on to Boston.

Birthday Anniversary of A. E. Hatch
Celebrated July 19.

A social gathering was held at the home of A. E. Hatch Sunday, July 19, when 43 of the relatives and friends of Mr. Hatch gathered to remind him of his 52d birthday. A bounteous dinner was served with ice cream and cake for dessert. Mr. Hatch was pleasantly remembered by a number of gifts and postcards. Those present were: Mrs. Lucy Sloan, Mr. and Mrs. W. I. Rickard, Mr. and Mrs. C. A. Sloan, Mr. and Mrs. Rich Davidson, Mr. and Mrs. Lynn Gray, Mr. and Mrs. Galen Hatch and two children, Mr. and Mrs. W. C. Wheeler, Mr. and Mrs. A. H. Sloan, Mrs. Emily Meader, Mrs. Addie Parker, Mr. and Mrs. Earl Martin and daughter, Mr. and Mrs. A. Holt, son, and grandchild, Mr. and Mrs. Vern Wheeler and daughter, Mrs. Florence Tobett and four children, Clayton Martin, Addie Sprague, and Mrs. Walter Patch and son, and Daniel Smith, Mrs. Nettie Martin and two children. The day was spent in visiting and talking pictures, and was much enjoyed by all.

GRANITEVILLE.

The services were well attended at the Presbyterian church last Sunday. The last two Sunday evenings an evangelistic service and after-meeting have been conducted. These meetings have been a great spiritual uplift to the church. Many of the members have remained to pray and some new ones have been led to take the stand for Christ. The pastor's subject next Sunday morning will be "Difficulties Encountered After One Enlists to Follow God." The sermon will be based on Exodus 15 and 16. The pastor will leave for Maine on his vacation August 3. It is expected that Rev. and Mrs. William Garthshore, also Harold Norris, will accompany him to spend an outing in Maine. The session has voted to keep the church open during the pastor's absence. Rev. James Ram-

KNOW WHAT YOU PUT IN YOUR MOUTH

Millions of people, who are otherwise very careful of what enters the mouth, know nothing of what is contained in the preparation which cleans their teeth. No matter how good it may taste, it is not good for you. The ingredients are plainly printed on every box which contains
